IN LINE COUNTERS

COUNT AND INSERT TABS DIRECTLY ON YOUR PRESS, SHEETER, OR OTHER CONVERTING EQUIPMENT.

SHOOTER

Designed to accurately count and insert tabs into the delivery pile of your equipment.

- ▼ Total and batch counts
- ▼ Variable tape lengths
- ▼ Variable knife cut delays
- ▼ Flexible mounting system

SHOOTER-II

Designed to provide fast, accurate tab insertion at speeds up to three tabs per second. The Shooter-II has the same capabilities as the Shooter, with these added features:

- ▼ Count erase
- ▼ Large backlit LCD display
- ▼ One button programming

90° & SWIVEL MOUNT OPTION

90° angle tape chute with swivel bracket mount. Enables any of the Shooters to insert tabs in areas where space is limited.

ADDITIONAL OPTIONS

- ▼ Infrared reflective opto sensor
- ▼ Custom chute lengths
- ▼ Distribution box (*allows three or more tabbing units to be operated from one ECU*)
- ▼ Sharp-Shooter II Option (*adds the advantage of tracking and separating spoilage from the usable stock without production interruption*)

INTRODUCING THE COUNT-WISE IMB & MBM

We always listen to our customers' needs and do our best to fulfill them. For this reason, we are happy to introduce the newest addition to our family – the Count-Wise-MB line of multi-batching, high speed off line sheet counters and batch tabbers. The new Count-Wise MBs have the same features as the standard Count-Wise models, but with these added features:

- ▼ Touch pad batch entry
- ▼ Multi-batching (*with up to 10 different batch amounts*)
- ▼ Batch editing

With touch pad user interface and 2 x 20 character LCD display, you can view and edit your batch amounts during any stage of the job with the touch of a button!

If this is how you still count paper ...

maybe it's time to weigh your options.

SHEET COUNTERS AND BATCH TABBERS

MAX-BANTAM

The cost-effective answer to quantity control, designed specifically for the company whose priority is cost justification. The Max-Bantam can be placed on a table, desk or the specially designed base cabinet.

- ▼ Speeds up to 2000 cpm
- ▼ Tabbing from 5 to 999
- ▼ 15" x 18" Table

COUNT-WISE II

Our computerized sheet counter with all of the features of both the Count-Wise M and Count-Wise I, plus more! The Count-Wise II offers unlimited multi-batching, security count with security clamp, auto start/stop and built in printer port.

- ▼ Speeds up to 2500 cpm
- ▼ Tabbing from 3 to 9999
- ▼ 16" x 26" Table
- ▼ Base cabinet included

COUNT-WISE I

Quantity control becomes more important as the jobs get bigger. Our Count-Wise I has the speed, accuracy and quantity control you need - all at the convenient push of a button and at a price that will maximize your profit and efficiency. The Count-Wise I can be secured on a table or on the specially designed base cabinet.

- ▼ Speeds up to 2500 cpm
- ▼ Tabbing from 3 to 9999
- ▼ 27" x 27" Table

COUNT-WISE TWIN

This top of the line sheet counter has the same capabilities as the Count-Wise II, with additional features specifically designed for bank note and securities printers. The Count-Wise Twin offers double/single head security count with miscount security clamp key release.

- ▼ Speeds up to 2500 cpm
- ▼ Tabbing from 3 to 9999
- ▼ 76" x 27" Air flotation table
- ▼ Custom software available

COUNT-WISE M

The Count-Wise M incorporates a long list of standard features such as two jogging plates, large air flotation table and base cabinet storage. Designed for larger stock, the Count-Wise M provides production flexibility, efficiency and value.

- ▼ Speeds up to 2500 cpm
- ▼ Tabbing from 3 to 9999
- ▼ 32" x 32" Air flotation table
- ▼ Base cabinet included

OPTIONS

BASE CABINET

Heavy duty base cabinet with large casters and locking storage compartment. Specially designed as an optional base for the Max-Bantam, Count-Wise I, and Count-Wise SS. (Included with the Count-Wise M and the Count-Wise II)

TABLES

Various size tables are available for both the Count-Wise M and the Count-Wise II.

Kee up with the changing times with a paper counter from a company that's been increasing their customer's profits for over a quarter of a century!

Tell us your needs, we'll test your samples, and suggest the right machine for you. U.S.A. made, modularly constructed and easily maintained, you can depend on U.S. Paper Counters for all your counting needs.

You Can Count On Us!

Save your fingers... and your bottom line.
