

# U.S. Paper Counters

## D-12 Demand Feeder

***D-12 and D-20 line of friction feeders are the solution to your single shot AND continuous feed applications!***

Utilizing proven and repositionable feed belts and separators, the D-12 now offers a simple, cost effective solution for packaging applications.

The D-12's unique adjustable angle acceleration table allows you to deliver documents to your production machinery at the optimum angle, no matter what the application! This enhances productivity while minimizing waste.

### **The D-12 features**

- \* Complete paper guides for straight delivery of your documents
- \* Repositionable belts –let you put the friction where YOU want it!
- \* Buckle separation™ for smoother separation without the jams!
- \* Multiple, independently adjustable separators for greater versatility
- \* Quick, easy belt changes reduce downtime and *save you money!*
