

U.S. Paper Counters

On Demand Batch Feeder

U.S. Paper Counters line of friction feeders are the solution to your on demand batch AND continuous feed applications!

Utilizing proven and repositionable feed belts and separators, this is your cost effective solution for counting / packaging applications.

The unique adjustable angle acceleration table allows you to deliver documents to your production machinery or delivery tray at the optimum angle, no matter what the application! This enhances productivity while minimizing waste.

Standard features

- * Complete paper guides for straight delivery of your documents
- * Repositionable belts –let you put the friction where YOU want it!
- * Buckle separation™ for smoother separation without the jams!
- * Multiple, independently adjustable separators for greater versatility
- * Quick, easy belt changes reduce downtime and *save you money!*
- * Batching from 5 to 9999

Options

- * Double sheet detect system
- * Delivery tray with magnetic guides
